**7020 A**

Executive swivel chair with high back, Synchro mechanism, ROVO-PUR-foam. Aluminum base polished.

**7410 A**

Conference chair with medium-high back, chromed cantilever frame.

**More comfort with ROVO-PUR-foam**

Viscoelastic ROVO-PUR-foam adapts to the body shape through bodyweight and body heat. The effect is pressure- and tension reducing in the pelvis and backside area, regardless of the bodyweight. The seat cushion with spring seat allows for even greater sitting comfort.

**7210 A**

Conference swivel chair with medium-high fixed backrest, gas spring with fixed seat height and automatic return feature. Aluminum base polished with glides or castors.

**7030 A**

Executive swivel chair with high back and headrest, Synchro mechanism, ROVO-PUR-foam. Aluminum base polished.

**Lumbar support AIR PLUS:**

This orthopedic air cushion lumbar support system can be individually adjusted by the use of a hand pump. The chair fits like a tailor made suit. The chair supports a healthy sitting posture and prevents back problems.

Pure Aniline leather, natural with soft touch / price group 7 – further sorts of leather and fabrics are at your choice.
