R O V O LOUNGE

RELAX.
REPRESENT.
COME TOGETHER.

Wherever people come together to communicate or just to relax; ROVO is there. With lounge furniture that invite to stay and with dynamic design that accentuates your architecture. Your workplace environment becomes more comfortable. The lounge colour concept creates a pleasant, comforting atmosphere.

R O V O TWIST

CHAIR, TABLE,
AND COMMUNICATION
CENTER.

Stable and dynamic are not in contradiction. ROVO TWIST invites meetings, shortens time and stimulates communication. Forget tables. Hierarchy was yesterday. ROVO TWIST represents the working world of the new generation. In case a sitstand is wanted, ROVO TWIST. A short exchange of ideas? ROVO TWIST brings teams together and makes communication a creative event.

DESIGN: **gecco** vision

ERGO BALANCE NEXT

ONE SYSTEM –
TWO OPTIONS.

The ERGO BALANCE mechanism of the new generation embodies double sitting dynamics in a single system. The integrated synchronized mechanism inspires dynamic sitting. The innovative ERGO BALANCE technology encourages 3-dimensional back active sitting movements. It can be turned on and off – for individual sitting comfort in modern offices.

ERGO BALANCE NEXT can be turned on and off with a quarter turn. The option for even more sitting dynamics.

R 1 6 / R 1 2 MEETING

ELEGANT.
COMFORTABLE.
AND UNIVERSAL.

These meeting chairs complement the ROVO model series R16 and R12 with optional upholstered backrest.

NEW:

The conference swivel chair version with integrated ERGO BALANCE technology. For back active sitting during meetings.
